Re: Individual Interactive Ethics Training Credit for Mayor Diane Veltri Bendekovic

Dear Susan:

Please be advised that Mayor Bendekovic met with me in City Hall on October 16, 2018 for one (1) hour and October 23, 2018 for one (1) hour and received training on the subjects required by the State and County Ethics law. If there is anything else you require of me to memorialize such training, please let me know.

Very truly yours,

Donald J. Lunny, Jr.
