Be Prepared!!!

It's that time of year again! Hurricane season has officially begun and extends through November 30. It is essential that everyone have an emergency plan and supplies in place in preparation for any storm threat. Your plan of action should include provisions for an emergency supply kit, evacuation plans if needed, a contact plan with out of state relatives, a safe spot should your family become separated, debris clean-up and more. Visit the City of Plantation website for more information and resources www.plantation.org

Broward County Administration extends Declaration of Emergency

The Broward County Administration and Mayor Bertha Henry has extended the existing Declaration of Emergency for Broward County for another 7 (seven) days effective Tuesday June 8.

Broadband Subsidy may be available

Consumers of broadband services including cable, phone or wireless services, who are struggling through the COVID pandemic may be eligible for up to \$50 per month subsidy. To apply and get more info visit www.getemergencybroadband.org.

Governor DeSantis rescinds all Emergency Orders

On Monday, May 3rd Governor DeSantis issued an executive order that invalidates all existing and future COVID-19 county and municipal restrictions including Broward County's COVID-related emergency order on facial coverings and social distancing guidelines.

All City buildings opened

As announced in the State of the City address by Mayor Stoner on Wednesday May 5, the balance of City facilities are now open to the public.

Because the health and welfare of all employees and the public we serve is paramount, City Administration has instituted a policy requiring all visitors to wear a face mask while inside any City facility until further notice. A visitor includes anybody from the public coming to a city facility to conduct business other than attending a public meeting.

Residents are being asked, however not required, to wear masks when attending public meetings or hearings. Examples of public meetings include City Council meetings and Planning & Zoning Advisory Board meetings.
