The status of your credit is an important part of the hiring process. Debts that have been turned over to a collection agency or have become public record **must be resolved** before we can accept your completed application. A public record is any information contained in a state or county court record, such as bankruptcy, tax lien, monetary judgment, or in some cases, accounts that are sent to collections.

The three nationwide consumer reporting agencies have set up a central website and a toll-free telephone number through which you can order your annual credit report. To order, visit www.annualcreditreport.com, or call **1-877-322-8228**. Through this website or telephone contact, you may order credit reports from the three nationwide consumer reporting companies individually. The law allows you to order one **free** copy of your credit report from each of the companies every twelve months.
