Mayor's Message

I believe it's essential to make local government accessible to its citizens. To that end, I've devised several ways to communicate with residents and share valuable and timely information. My twice-monthly newsletter can be sent directly to your inbox. I also recently added a "Mayor's Minute" video you can access every Monday. This quick, one-minute video aims to provide information to get you through the week. Sign up for both via Plantation.org. For direct info, please email me at Mayor@plantation.org.

GROUP SWIM LESSONS

Group swim lessons are finished for the season and will resume in March 2025. See you then!
In the meantime, Get to know our group swim lesson classes as well as our swim evaluation requirement by reading the descriptions below.

Swim Evaluations

To properly place your child in swim lessons, we will require an evaluation to be completed before registration for all levels EXCEPT Preschool Aquatics 1 or Learn-to-Swim Level 1. Please be aware if you have done swim lessons at another facility, their program may not translate exactly to our American Red Cross Learn-to-Swim program and we will still require an evaluation prior to registration. For additional information about the American Red Cross Learn-to-Swim program download the Swim by American Red Cross app.

During your child's swim lesson evaluation, your child will work 1-on-1 with one of our American Red Cross Water Safety Instructors. The instructor will walk your child through the exit skill assessment for each age appropriate level until we determine the most suitable lesson for your child. Swim evaluations will begin in early 2025 in preparation for upcoming classes.
